

## Newsletter – Thursday 15th June 2017

Dear Parents

On Monday Mrs Milton and I had the pleasure of taking the Year 6 children to an event in Barnstaple. The children took part in a number of workshops led by different groups including the emergency services and the Dog's Trust. The children learnt some vital skills which will help them as they move on into secondary school.

The Summer Term is always full of opportunities for children to take their learning outside of the classroom and this year is no different. Please keep your eyes peeled for upcoming events as we have much to look forward to. Next week, we have a visit from 'Image Theatre Group', on Wednesday morning, who will be performing (with the help of our children) their own version of the Jungle Book!

Best wishes,

Mr Holding

### Reminder

We sent home a letter regarding an online survey which is available on <http://www.smartsurvey.co.uk/s/00JE2/>. If you are unable to access the survey at home we can provide you with on-line access and a computer at school. Alternatively, you can complete the survey on your smart phone. If you would prefer a paper copy of the survey to complete, then these will be available from the school office. The survey will be closed at the end of June. Once the results have been collated, we will publish the outcomes and actions arising on our school website. Your interest in our survey is very important to us and will be very important for our planning during the months ahead.
