

## Newsletter – Thursday 2<sup>nd</sup> February 2017

Dear Parents,

It's been a grey week weather wise but we still have lots of smiles in school. The children are really enjoying their singing which really lifts everyone's spirits. Also our football team were brilliant in reaching the final of the local tournament. For the children who enjoy mathematics and for parents who want to learn about what we teach, I thoroughly recommend the 'My Maths' website. You can access this through Google and use the following;

Happy number crunching!

Best wishes

Paul Mulligan

### Football report

In our group stage we had South Molton, Chittle Hampton, High Bickington and Umberleigh. Our first game was against Umberleigh and we won 2-0 Daniel scored the first goal then Liam scored a goal to make it 2-0. Our second game was against High Bickington and we won 4-0 a great result. Will scored the first goal then Liam scored three goals. A good start. Our third game was against South Molton and we drew 1-1 Daniel scored, they equalised with a last minute penalty. Our fourth game we won was against Chittlehampton which we played some excellent football finishing the game 8-0 winners. This meant that we qualified for the semi-final in second place in our group on goal difference. We had a tricky tie against last year's winners North Molton. We started the game slow and North Molton scored a free kick just before half-time. The second half we played much better with Will winning and scoring a penalty to equalise. Then, a moment of brilliance from Rebecca who scored a brilliant goal to win us the game 2-1.

Off to the final, we had to play South Molton again who we drew 1-1 with earlier. Caught out we conceded an early goal to make it 1-0. We were trying to get the equaliser and South Molton scored two more goals to win the game 3-0. Overall a fantastic tournament and well done to; Rebecca, Megan, Shannon, Ashley, Daniel, Ewan, Will, Liam, Jack T and Jack D.

### After School Activity Clubs

A reminder to parents that they must book their child/children into After School Club in order to secure a place. We cannot guarantee there will be adequate spaces if given to short notice. If you require your child/children to attend After School Club please contact us on **01884 861784**.

### Celebration Assembly

The following children received congratulations this week.

#### Work

Class1 – Leo for his talking about adding.

Class 2 – Holly for challenging herself in the maths work while working on fraction.

Class 2 – Blake for challenging himself in maths work while working on fractions.

Class 3 – Ellie for her brilliant recount of the trip to Carymoor.

Class 4 – Ruby for some excellent work in maths solving multiplication and division problems.

Class 4 – Felix for making progress in his maths looking at multiplication and division.

#### Contribution

Megan, Grace, Liam and Will for organising and setting up a lunch time club for KS1.

#### 20 Merit Points

Amy Alysha Mia Jasmine Josh M

#### 40 Merit Points

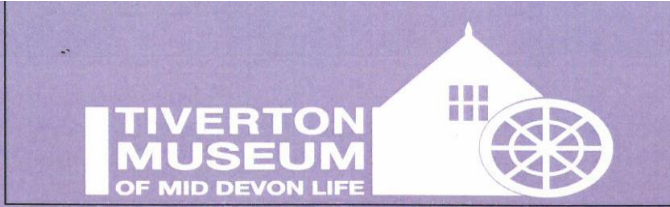

Casey Ruby Willow

Next Week W/B: Monday 6 <sup>th</sup> February 2017				
Monday	Tuesday	Wednesday	Thursday	Friday
Cooking Club – Group 2	Choir Club – KS2 and Y2	Football Club – KS2	Art Club – KS2 Story Club Live – KS1
