Newsletter – Wednesday 12th July 2017

Dear Parents/Carers,

It is nearing the end of the school year and inevitably our attention is now turning towards next year. We will be holding transition sessions on Monday and Tuesday to give your children the opportunity to meet their new teacher and spend some time in their new classes. You will also receive your child's report this evening, which summarises their progress and personal development over the last academic year – there is a cover letter included with the report which should provide clarity on the judgements made. If your child is in Year 1, then you will also receive information about your child's phonics screening. If they are in Year 2 or Year 6, then you will receive information regarding their performance in KS1 or KS2 SATs. Should there be anything arising from any of these reports that you wish to discuss in further detail, then please do not hesitate to organise an appointment with me through the school office or by approaching me on the playground at the start or the end of the day.

Best Wishes,

Mr Holding
